PROFESSIONAL SUMMARY

Results-driven Technical Retail Operations Specialist with proven expertise in optimizing retail asset yield, streamlining store operations, and enforcing administrative compliance across high-volume environments. Track record of eliminating third-party operational costs, driving POS workflow efficiency, maintaining zero-variance cash audit records, and delivering structured training programs.

CORE COMPETENCIES

- **Retail Operations & Asset Yield:** Shift Standardization, SOP Engineering, Inventory Auditing, Facility Maintenance
- **Technical & POS Systems:** Equipment Calibration, Remote Troubleshooting, System Administration, Workflow Optimization
- **Financial & Compliance:** Cash Reconciliations ($0 Variance Record), Asset Staging, Regulatory Liability Mitigation
- **Leadership & Enablement:** Onboarding Architecture, 1-on-1 Coaching, Digital Asset Design, Vendor Coordination

PROFESSIONAL EXPERIENCE

Closing Team Lead

American Retail Services | Apr 2026 – Present

- **Cost Elimination:** Eliminated third-party dispatch expenses ($400–$650 per incident) through in-house software recalibration and remote technical troubleshooting.
- **Operational Standardization:** Engineered an advanced closing shift standardization framework integrating asset staging and administrative auditing.
- **Risk Mitigation:** Mitigated regulatory liabilities by developing restorative deep-cleaning protocols and resolving long-standing maintenance backlogs.
- **Asset Optimization:** Managed unassigned filtration maintenance schedules to protect machinery lifespans and sustain operational throughput.

Lead Operations Associate & Customer Enablement Trainer

Bayshore Station | May 2022 – Sep 2024

- **Financial Audit Precision:** Maintained a 0.00% financial variance record over a 3-year tenure across high-volume daily cash reconciliations and multi-million dollar inventory lines.
- **Onboarding & Training:** Structured POS workflow onboarding models for new hires to accelerate time-to-proficiency and minimize register errors.
- **Operational Clarity:** Delivered 1-on-1 coaching using formal presentation and public speaking techniques to improve team communication and compliance.

Office Assistant & Digital Media Specialist

Bandon Chamber of Commerce | Oct 2019 – Oct 2021

- **Systems Administration:** Managed backend website architecture updates and routine system maintenance for the regional business network.
- **Brand & Marketing:** Directed the end-to-end design, layout, and publication of print and digital marketing assets for regional initiatives.

EDUCATION & CERTIFICATIONS

- **Relevant Coursework & Training:** Retail Systems Administration, Asset Management, Digital Media Design, Microsoft Suite, Adobe Photoshop
- **Technical Skills:** HTML/CSS Web Architecture, POS Diagnostics, Operations Management
